

Council Chambers-City Council  
City Hall-City of Lodi  
Monday, February 16, 1931

This regular meeting of the City Council of the City of Lodi was called to order by the Mayor at 8.05 o'clock on the date first above written, Councilmen Keagle, Roach, Steele, Weihe and Spooner present, none absent.

The minutes of the last regular meeting held February 2nd, 1931 were read, approved as read and so endorsed by the Mayor.

Several salesmen being present, the Mayor announced that the matter of the purchase of fire hose would be left with the Chief of the Fire Department to consult with the City Clerk.

Letters submitting prices on painting for the Municipal Baths from McKee & Kropp, J.L. Pickering and C.E. Smith were referred to the Committee on Parks with full power to act.

Mr A.G. Stephen called the attention of the Council to the condition of the alley in Block 10, Lodi and the Street Superintendent was directed to remedy the cause of complaint.

The Secretary of Lodi Volunteer Fire Department, by letter, thanked the City Council for its cooperation in the matter of the annual meeting of the Department.

Two bulletins from the League of California Municipalities asking the City Council's endorsement of Senate Bills Nos. 126 and 386 now pending in the State Legislature were received and read and on motion of Councilman Steele, Weihe second, the Clerk was directed to notify the Senator and the Assemblyman from this District that the City of Lodi favored the adoption of both measures.

The Clerk addressed the City Council in the matter of the existing City Planning Commission stating that the Commission should be either made an active body or eliminated from the City's records. This was referred to the City Attorney with instructions that he prepare an ordinance dis-establishing such a commission.

The Clerk was authorized to purchase an electric vacuum cleaner for use in the City Hall.

Mr Glenn West made an oral report on the present status of the Cherokee Lane paving, having talked with Supervisor Stickenbruck; stating that it seemed very possible that an asphaltic concrete paving might be laid on each side of the states job at the expense of the County. Several property owners being present, this proposition was referred to them so that they might obtain the consensus of opinion of the persons to be affected and report back to the Council.

Three building permits aggregating \$4,900 were granted.

On application of Central California State Base Ball League, use of the City grounds in Lawrence Park was granted for from six to ten days during the baseball season and sufficient burlap and pipe standards to enclose the ball park ordered purchased.

Bills in the amount of \$3,288.52 as approved by the Finance Committee were ordered paid; motion Weihe, Roach.

At 9.58 o'clock P.M. the City Council adjourned until the day and hour of its next regular meeting.

Attest:

*J. F. Beamer*  
City Clerk.

The foregoing minutes read and approved without correction.
